6. Statement of Conformity

Aromology declares that Aldehyde C-10 Natural (Decanal), CAS No. 112-31-2, does not contain any declarable fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, based on the available supplier documentation and analytical information.

As this material is a naturally derived isolate, extremely low trace constituents originating from the natural source may vary between production batches. However, no Annex III fragrance allergens are expected to be present at concentrations requiring declaration under Commission Regulation (EU) 2023/1545.

The responsibility for determining allergen declaration requirements for the finished cosmetic product remains with the manufacturer of the finished formulation.

This declaration follows the format and structure of the approved Aromology EU Allergen Declaration template.
