Non-Detected Allergens

All other allergens listed under Annex III were:

- Not detected, or
- Present below analytical/reporting thresholds

Analytical Note

- Values are approximate and may be statistically generated, not always lot-specific.

Regulatory Threshold Note

- Leave-on products: declaration required $\geq 0.001\%$
- Rinse-off products: declaration required $\geq 0.01\%$

Regulatory Statement

- The listed allergens are naturally occurring constituents of Black Currant Bud Absolute.
- This declaration supports cosmetic safety assessment, formulation, and labelling compliance.
- Final product compliance depends on dosage and IFRA application category.

Disclaimer

This certificate is based on supplier data and available analytical information. It does not replace testing of the finished formulation. Responsibility for regulatory compliance lies with the manufacturer placing the product on the market.
