Chocovan TEC AB 7244C

Product Identification

Item	Details
Product Name	Chocovan TEC AB
Product Code	7244C
Manufacturer	Givaudan SA
Product Type	Proprietary Fragrance Base
Chemical Nature	Mixture of fragrance ingredients in a TEC-based system
INCI Name	Parfum
CAS Number	Proprietary Mixture
EC Number	Not Applicable to Mixture
Physical Form	Liquid
Odour Profile	Cocoa, vanilla, creamy chocolate, sweet and powdery
Intended Use	Professional perfumery and cosmetic fragrance formulation

Publicly available supplier information identifies Chocovan AB 7244C as a Givaudan fragrance mixture with a colourless-to-pale-yellow liquid appearance and a chocolate, cocoa, sweet and vanilla profile.

Representative Quality Specifications

Test Parameter	Representative Specification	Batch Result
Appearance	Clear, mobile liquid	Conforms
Colour	Colourless to pale yellow	Conforms
Odour	Characteristic cocoa, vanilla, creamy and powdery chocolate	Conforms
Identification	Olfactory and chromatographic profile conforms to approved reference	Conforms
Relative Density at 20°C	Manufacturer specification	To be reported
Refractive Index at	Manufacturer specification	To be

20°C		reported
Flash Point	Manufacturer specification	To be reported
Viscosity	Manufacturer specification	To be reported
Solubility in Ethanol	Soluble or dispersible according to manufacturer specification	Conforms
Solubility in Water	Insoluble to slightly dispersible	Conforms
Water Content	Within manufacturer specification	To be reported
Acid Value	Within manufacturer specification	To be reported
Colour Stability	Conforms to approved reference	Conforms
Foreign Matter	Free from visible foreign matter	Conforms
Organoleptic Quality	Characteristic and acceptable	Conforms

Representative Olfactory Profile

- Cocoa powder
- Warm vanilla
- Creamy chocolate
- Sweet gourmand
- Powdery
- Balsamic
- Soft milky nuances
- Long-lasting base-note character

Givaudan product descriptions presented by specialist suppliers describe Chocovan as combining a rich cocoa note with a warm vanillic background and a dry, powdery effect reminiscent of drinking-chocolate powder.

Composition Statement

Chocovan TEC AB 7244C is a proprietary fragrance composition. The complete formula, exact percentages, confidential Givaudan specialties, solvents, stabilisers and processing aids are not publicly disclosed.

The material may contain:

- Triethyl citrate or another declared carrier system
- Vanillic fragrance materials
- Cocoa and chocolate aroma materials
- Sweet balsamic components
- Creamy or lactonic modifiers
- Powdery fragrance ingredients
- Proprietary Givaudan specialty materials

- Stabilisers or antioxidants, where required

This list is representative only and does not constitute a formulation disclosure.

Purity and Authenticity Declaration

The product is supplied as a deliberately formulated fragrance base and must not be represented as:

- Natural cocoa absolute
- Cocoa essential oil
- Vanilla absolute
- A single aroma chemical
- A food flavour unless separately certified

No undeclared dilution or adulteration is expected. Any carrier or stabiliser intentionally used must be included in the original manufacturer documentation.

Storage

Store:

- In the original tightly sealed container
- At approximately 15–25 °C
- Protected from direct sunlight
- Away from excessive heat
- Away from strong oxidising agents
- In a dry and well-ventilated location
- With minimum unnecessary exposure to air

Shelf Life

The retest period and shelf life must follow the original Givaudan batch documentation.

Conclusion

The identified batch conforms to the representative quality requirements established for Chocovan TEC AB 7244C, subject to completion and verification of the actual batch analytical values.

This document is a representative supplier Certificate of Analysis. It is not the original Givaudan batch COA.
