### PRODUCT INFORMATION

| Item              | Details                                  |
|-------------------|------------------------------------------|
| Product Name      | Green Patchouli Absolute                 |
| Botanical Name    | <i>Pogostemon cablin</i> (Blanco) Benth. |
| INCI Name         | Pogostemon Cablin Leaf Extract           |
| CAS Number        | 8014-09-3                                |
| EC Number         | 282-493-4                                |
| Plant Part        | Leaves                                   |
| Extraction Method | Solvent Extraction                       |
| Origin            | Indonesia                                |
| Product Type      | Natural Absolute                         |
| Issue Date        | 17 July 2026                             |

### PHYSICAL SPECIFICATIONS

| Parameter                | Specification                            | Representative Result |
|--------------------------|------------------------------------------|-----------------------|
| Appearance               | Viscous liquid / semi-solid              | Complies              |
| Colour                   | Dark greenish-brown to brown             | Complies              |
| Odour                    | Rich earthy, woody, herbaceous, balsamic | Characteristic        |
| Solubility               | Soluble in alcohol; insoluble in water   | Complies              |
| Relative Density (20 °C) | Batch dependent                          | Conforms              |
| Refractive Index (20 °C) | Batch dependent                          | Conforms              |
| Residual Solvent         | Within acceptable limits                 | Pass                  |
| Foreign Matter           | None visible                             | Pass                  |

---

### REPRESENTATIVE NATURAL COMPOSITION

## Major Constituents

Patchoulol

Alpha-Bulnesene

Alpha-Guaiene

Seychellene

Alpha-Patchoulene

Beta-Caryophyllene

Pogostol

Other naturally occurring sesquiterpenes

The composition naturally varies depending on harvest season, extraction conditions, plant maturity and production batch.

---

## QUALITY DECLARATION

This material is:

- Obtained from *Pogostemon cablin* leaves.
- Produced by solvent extraction.
- Free from intentionally added synthetic fragrance ingredients.
- Free from intentionally added carrier oils unless declared.
- Intended for professional perfumery and cosmetic manufacture.

---

## STORAGE

Store tightly closed in a cool, dry, well-ventilated location away from sunlight, heat and oxidising agents.

---

## CONCLUSION

Green Patchouli Absolute – Indonesia complies with representative quality specifications for professional perfumery use. Batch-specific analytical data shall prevail where available.
