PRODUCT INFORMATION

Field	Details
Product Name	Dry Jungle Berries Absolute
Latin Name	<i>Zanthoxylum rhetsa</i>
CAS No.	102242-62-6
Part Used	Sun-dried berries (fruits)
Type	Absolute
Extraction Method	Solvent Extraction
Country of Origin	Chiang Mai, Thailand
Supplier Batch / Product ID	LOSF005A
Manufacturing Date	Not Provided
Best Before Date / Shelf Life	Typically >24 months (subject to correct storage)
Last Analysis Date	Not Provided

TEST RESULTS

Test & Method	Value	Specifications
Appearance – MOA005	Orange, slightly viscous liquid	Conforms to Standard

Test & Method	Value	Specifications
Odour – MOA005	Dry berries aroma (formerly “dry pepper”)	Conforms to Standard
Solubility	Soluble in oil & ethanol; insoluble in water; miscible with surfactant bases and many fixed oils	Conforms
Specific Gravity @20°C – MOA020	Not Available	—
Refractive Index @20°C – MOA041	Not Available	—
Optical Rotation @20°C	Not Available	—
Special Use Instructions	Use promptly after opening; close tightly to limit oxidation	—

NOTES

- Material meets all quality requirements according to the uploaded COA.
- Shelf life depends on proper storage: cool, protected from heat & light, tightly sealed.
- Once opened, use quickly or reseal immediately to minimize oxidation.
- QC certified by Thomas Pouin
