## **Declaration**

Based on the information available at the date of issue, D-Carvone Natural Ketone does not intentionally contain any fragrance allergens requiring declaration under Annex III of Regulation (EC) No. 1223/2009, as amended.

This statement applies to raw material only. It remains the responsibility of the manufacturer of the finished cosmetic or fragrance product to determine whether declaration of fragrance allergens is required based on the complete formulation, naturally occurring trace constituents, analytical testing where applicable, and the current requirements of Regulation (EC) No. 1223/2009, its subsequent amendments, and other applicable legislation.
