EU Regulated Fragrance Allergens	None Declared
Intentionally Added Allergens	None
Naturally Occurring Allergens	None Declared
Batch-to-Batch Variation	Expected to remain within manufacturer specification

COSMETIC LABELLING

Based on the official manufacturer's declaration, **LILYFLORE® 955210 does not require declaration of any EU-regulated fragrance allergens as supplied.**

Final cosmetic product compliance remains the responsibility of the manufacturer of the finished cosmetic product, taking into account all ingredients used.

CONCLUSION

According to the current official **dsm-firmenich Presence of Fragrance Allergens** declaration, **LILYFLORE® 955210 contains no reportable EU-regulated fragrance allergens as supplied.** The manufacturer's latest declaration should always take precedence over this representative document.
