ALLERGEN LABELLING REQUIREMENTS

The supplier's declaration references the following cosmetic fragrance allergen labelling thresholds:

Finished Product Type	Declaration Threshold
Rinse-off cosmetics	0.01%
Leave-on cosmetics	0.001%

These thresholds relate to the concentration of applicable allergens in the finished cosmetic product.

REGULATORY COMPLIANCE STATEMENT

The supplier's declaration has been reproduced without alteration.

The statement that no restricted materials were found does not establish that all EU-regulated fragrance allergens are absent.

The document does not identify the allergen list assessed and does not explicitly confirm an assessment against the expanded requirements of Regulation (EU) 2023/1545.

A more detailed supplier declaration may be required for finished-product regulatory assessment.

DISCLAIMER

The information is based entirely on the supplier's declaration.

No individual allergen concentration, analytical detection limit or additional regulatory certification has been inferred.

AROMOLOGY has not independently verified the reported information.
