DECLARATION

Aromology declares that:

- Patchoulol Crystals Natural 99.5% – Premium consists predominantly of highly purified natural Patchouli Alcohol.
- Patchouli Alcohol is not itself an EU-listed fragrance allergen requiring individual cosmetic ingredient-list declaration.
- No regulated fragrance allergens are intentionally added during manufacture.
- The material should not be represented as analytically free from all possible trace impurities unless supported by batch-specific analytical testing.
- Final cosmetic labelling remains the responsibility of the finished-product manufacturer.
- The complete fragrance formulation must be assessed against the current EU cosmetic requirements.
