DECLARATION OF CONFORMITY

Based on the supplied product-specific allergen information, Natural Raspberry Ketone, Product Code 258800, does not contain any of the allergenic substances evaluated under the manufacturer's ALBA-list and EC-labelling declaration.

The original manufacturer declaration is dated March 2026, Revision 101.

Important: The supplied document is a **food/allergenic-potential declaration**, not an EU cosmetic fragrance-allergen declaration under Regulation (EC) No. 1223/2009 / Regulation (EU) 2023/1545. I have therefore kept this as a general **Allergen Declaration** and have not converted it into an EU fragrance-allergen certificate or invented cosmetic allergen data.
