Declaration

The above information is provided in accordance with Annex III of Regulation (EC) No. 1223/2009, as amended by Regulation (EU) 2023/1545.

The analysis may be statistically generated and may not always be lot-specific. Accordingly, the reported amounts should be regarded as approximations. It is the responsibility of the customer to ensure the safety and regulatory compliance of the finished product through appropriate assessment and, where necessary, further testing by a certified laboratory.

This declaration has been prepared to the best of our knowledge based on the information available for the product as of the date indicated below. The information is provided for guidance only. Although reasonable care has been taken to ensure its accuracy, changes in regulations or individual product characteristics may require the information or specifications to be updated.

The user is responsible for confirming that the conditions and intended use of the product comply with all applicable laws and regulations. In the event of any discrepancy between this declaration and the applicable legislation, the regulations currently in force shall prevail.
