Finished Cosmetic Declaration Thresholds

Finished Cosmetic Product	Threshold
Leave-on Products	0.001%
Rinse-off Products	0.01%

Declaration

Based on the available published composition:

- Bitter Almond Essential Oil FPA is composed predominantly of benzaldehyde.
- Benzaldehyde is not one of the EU declarable fragrance allergens requiring ingredient declaration under Annex III.
- No EU declarable fragrance allergens have been identified as intrinsic constituents of the material from the available published data.
- Final cosmetic labelling must always be based on the complete fragrance formulation and cumulative allergen contribution from all ingredients.
- The cosmetic manufacturer or Responsible Person remains responsible for compliance with Regulation (EC) No. 1223/2009 and Commission Regulation (EU) 2023/1545.

This declaration applies only to the identified raw material and does not certify a finished cosmetic product.
