EU Fragrance Allergen Declaration

This declaration has been prepared in accordance with the fragrance allergen requirements of Regulation (EU) 2023/1545 (amending Annex III to Regulation (EC) No. 1223/2009 on cosmetic products).

Based on the manufacturer's formulation information and available compositional data, Citronitrile – Citrus (Symrise) is not intentionally formulated with any of the regulated EU fragrance allergens and does not contain naturally occurring botanical constituents that would normally introduce such allergens.

Regulated EU Fragrance Allergens

Result:

Under normal manufacturing specifications, Citronitrile – Citrus (Symrise) does not contain declarable EU fragrance allergens.

Notes

- This declaration applies to the material supplied in its original, undiluted form.
- Trace quantities arising from manufacturing processes, if any, are not expected to exceed applicable declaration thresholds.
- The manufacturer of the finished cosmetic product remains responsible for determining labelling requirements based on the concentration of this ingredient in the final formulation.
