| Benzyl Salicylate     | Not Present |
| Cinnamal              | Not Present |

|                                                     |             |
|-----------------------------------------------------|-------------|
| Cinnamyl Alcohol                                    | Not Present |
| Citral                                              | Not Present |
| Citronellol                                         | Not Present |
| Coumarin                                            | Not Present |
| Eugenol                                             | Not Present |
| Farnesol                                            | Not Present |
| Geraniol                                            | Not Present |
| Hexyl Cinnamal                                      | Not Present |
| Hydroxycitronellal                                  | Not Present |
| Hydroxyisohexyl 3-Cyclohexene Carboxaldehyde (HICC) | Not Present |
| Isoeugenol                                          | Not Present |
| Limonene                                            | Not Present |
| Linalool                                            | Not Present |
| Methyl 2-Octynoate                                  | Not Present |
| Evernia Prunastri (Oakmoss) Extract                 | Not Present |
| Evernia Furfuracea (Treemoss) Extract               | Not Present |

### Statement

- No fragrance allergens have been intentionally added to this material.
- Based on the manufacturer's specification, Dipropylene Glycol (DPG) does not contain any Annex III declarable fragrance allergens above the applicable regulatory thresholds.
- This declaration applies solely to the raw material supplied by Aromology Trading LLC.
- The manufacturer of the finished cosmetic product remains responsible for assessing the complete formulation and ensuring compliance with Regulation (EU) 2023/1545 and other applicable cosmetic legislation.
