PRODUCT INFORMATION

Item	Details
Product Name	Ivy Base
Manufacturer	DSM-Firmenich
Product Code	290958
Product Type	Synthetic Fragrance Base
Issue Date	18 July 2026

REGULATORY BASIS

Prepared with reference to:

- Regulation (EC) No. 1223/2009 on Cosmetic Products.
- Commission Regulation (EU) 2023/1545 relating to fragrance allergen labelling.

DECLARATION

Ivy Base is a proprietary fragrance base manufactured by DSM-Firmenich. As its detailed formulation is confidential, the precise fragrance allergen content is determined by the manufacturer's batch-specific regulatory documentation.

The fragrance base is designed to produce a fresh green accord with violet leaf, galbanum and watery facets.

EU FRAGRANCE ALLERGEN STATUS

Parameter	Status
Full allergen composition publicly available	No
EU Allergen Declaration	Manufacturer batch-specific
Cosmetic labelling	Use the latest DSM-Firmenich allergen declaration for the supplied batch

IMPORTANT NOTE

Because Ivy Base is a proprietary composition, it is not technically or legally appropriate to declare individual EU fragrance allergens without the official DSM-Firmenich regulatory data for the specific batch supplied. The official manufacturer's Allergen Declaration should always be used when preparing cosmetic labels.

CONCLUSION

The EU fragrance allergen profile of Ivy Base (DSM-Firmenich) is batch dependent and must be taken from the official DSM-Firmenich Allergen Declaration accompanying the supplied lot. This document confirms the regulatory status but does not replace the manufacturer's batch-specific declaration.
