Evernia prunastri (Oakmoss) Extract	Not Present
Evernia furfuracea (Treemoss) Extract	Not Present

*Trace impurities may occur only if present from the natural isolation process and are not intrinsic constituents of pure Sabinene.

Declaration

Sabinene Natural is a purified naturally derived monoterpene hydrocarbon. Based on its chemical identity and typical commercial purity, it is not expected to contain declarable EU fragrance allergens. Any trace impurities arising from the botanical source or manufacturing process should be verified by batch-specific GC-MS analysis where quantitative regulatory declarations are required.

The finished cosmetic manufacturer remains responsible for determining allergen labelling requirements in the finished product.
