5. Regulatory Statement

Ambergris Synth (Firmenich) is a proprietary ambergris-type aroma material. Based on available information, no declarable EU cosmetic fragrance allergens are declared as intentionally present in this material.

Because the exact composition is proprietary, this declaration is based on currently available supplier-style information. For formal regulatory submissions, the official manufacturer allergen declaration should be consulted where required.

6. Statement of Conformity

Aromology certifies that, to the best of our knowledge and based on available information, Ambergris Synth (Firmenich) does not contain declared EU cosmetic fragrance allergens above reporting thresholds.
