4. Allergen Status

Parameter	Result
EU Declarable Allergens Present	None Detected*
Naturally Occurring Allergens	None Declared
Added Fragrance Allergens	None Declared
Regulatory Labelling Requirement	Depends on the finished cosmetic formulation

5. Regulatory Statement

Ambernote® HTC is a proprietary specialty amber aroma material. Based on the available compositional information, none of the fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545, are intentionally present above reportable levels.

Because this material is proprietary, this declaration is based on the information available from the supplier and current regulatory knowledge. Users are responsible for assessing allergen labelling requirements in the finished cosmetic product.

6. Statement of Conformity

Aromology certifies that, based on available compositional information, Ambernote® HTC has been assessed for the presence of EU cosmetic fragrance allergens.

Based on current information, no declarable EU cosmetic fragrance allergens are present above reportable levels.

7. Authorisation
