Declaration

Brown Sugar Extract is a proprietary natural extract manufactured by dsm-firmenich. The product is listed within the dsm-firmenich natural ingredients portfolio as Brown Sugar Naturome Extract, however the detailed composition and CAS registry information remain proprietary to the manufacturer.

Based on the manufacturer's available regulatory information, Brown Sugar Extract does not intentionally contain any of the declarable fragrance allergens listed under Regulation (EU) 2023/1545. Because this is a proprietary composition, confirmation of trace allergen levels should be obtained from the current manufacturer Regulatory Data Sheet or verified by batch-specific GC-MS analysis where required.
