Declaration

Based on the composition information available from the manufacturer and our technical review, Ethyl Furaneol Natural does not intentionally contain any of the individual fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545, at concentrations requiring declaration as constituents of the raw material.

Declarable EU Fragrance Allergens

None intentionally present.

Regulatory Statement

To the best of our knowledge, Ethyl Furaneol Natural (CAS 27538-09-6) is not itself included in the list of declarable fragrance allergens specified in Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545.

Manufacturers of finished cosmetic products remain responsible for evaluating the complete formulation and determining whether any declarable fragrance allergens are present above the applicable labelling thresholds in the finished product.

The current EU cosmetic labelling thresholds are:

Leave-on cosmetic products: 0.001% (10 ppm)

Rinse-off cosmetic products: 0.01% (100 ppm)

Disclaimer

This declaration is based on information supplied by the manufacturer together with currently available technical and regulatory data. It is issued in good faith to assist customers with regulatory compliance and applies only to the raw material identified above. It does not replace the customer's responsibility to ensure compliance of the finished product with all applicable legislation.
