Product Information

Product Information

Product Name	Ionone Beta Natural
Product Type	Natural Aroma Chemical
Chemical Name	β -Ionone (Natural)
CAS Number	14901-07-6
EC Number	238-969-9
FEMA Number	2592
Molecular Formula	$C_{13}H_{20}O$
Molecular Weight	192.30 g/mol
Source	Naturally derived from plant carotenoids
Intended Use	Perfumery Raw Material
Issue Date	30 June 2026
Revision	1.0

Declaration

Based on the composition information available from the manufacturer and our technical assessment, Ionone Beta Natural (β -Ionone) is not listed as an individual declarable fragrance allergen under Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545.

Accordingly, this raw material does not intentionally contain any Annex III declarable fragrance allergen as its principal constituent.

Declarable EU Fragrance Allergens

Fragrance Allergen CAS Number

Status

Fragrance Allergen CAS Number		Status
None	—	None intentionally present

Regulatory Statement

To the best of our knowledge, Ionone Beta Natural (CAS No. 14901-07-6) is not included in the current list of declarable fragrance allergens under Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545.

Current EU cosmetic labelling thresholds for listed fragrance allergens are:

- Leave-on cosmetic products: 0.001% (10 ppm)
- Rinse-off cosmetic products: 0.01% (100 ppm)

The manufacturer of the finished cosmetic product remains responsible for evaluating the complete formulation and determining whether any declarable fragrance allergens are present above the applicable regulatory thresholds.

Disclaimer

This declaration is based on information available from the manufacturer together with current European cosmetic legislation at the date of issue. It applies solely to the raw material identified above and is intended to assist customers in meeting their regulatory obligations. The manufacturer of the finished cosmetic product remains responsible for ensuring compliance with all applicable legislation and labelling requirements.
