Declaration

Seaweed Absolute is a natural aromatic extract obtained by solvent extraction of marine algae (*Fucus* spp.). Based on supplier information, manufacturing knowledge, and available compositional data, this material does not intentionally contain any fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545, above the applicable declaration thresholds.

As with all naturally derived botanical extracts, trace quantities of naturally occurring aromatic constituents may vary from batch to batch. Where regulatory compliance requires precise allergen determination, analytical verification of the production batch is recommended.

EU Cosmetic Fragrance Allergens

Based on the available information, none of the fragrance allergens listed in Annex III are intentionally added or expected to be present above the applicable declaration thresholds.
