Regulatory Statement

This declaration has been prepared using supplier information, published compositional data for *Citrus depressa* peel oil, and available analytical information.

It is intended to assist customers in complying with:

- Regulation (EC) No. 1223/2009 on Cosmetic Products
- Commission Regulation (EU) 2023/1545
- IFRA Standards (51st Amendment)

Because this is a natural essential oil, the concentration of naturally occurring fragrance allergens may vary from batch to batch. Where precise declaration values are required for finished cosmetic products, batch-specific analytical testing is recommended.

This declaration applies solely to the raw material supplied by Aromology Trading LLC and does not constitute a guarantee of compliance for finished cosmetic or fragrance products. Manufacturers remain responsible for verifying allergen concentrations in their finished formulations and ensuring compliance with all applicable regulations.
