Regulatory Statement

This declaration has been prepared using supplier information, manufacturing knowledge and available technical documentation.

It is intended to assist customers in complying with:

- Regulation (EC) No. 1223/2009 on Cosmetic Products
- Commission Regulation (EU) 2023/1545
- IFRA Standards (51st Amendment)

As this is a natural resin oil, the concentration of naturally occurring fragrance allergens may vary from batch to batch. Where exact declaration values are required for regulatory compliance, batch-specific analytical testing should be performed.

This declaration applies solely to the raw material supplied by Aromology Trading LLC and does not constitute a guarantee of compliance for finished cosmetic or fragrance products.
