Regulatory Statement

This declaration has been prepared using supplier technical information and available analytical data.

As Thyme Absolute is a natural botanical extract, the concentration of naturally occurring constituents and fragrance allergens may vary between production batches. The manufacturer of the finished cosmetic product

remains responsible for ensuring compliance with Regulation (EC) No. 1223/2009, Commission Regulation (EU) 2023/1545 and any other applicable legislation.

This declaration applies solely to the raw material supplied by Aromology Trading LLC.
