Regulatory Statement

This declaration has been prepared using supplier technical information, manufacturing knowledge and available analytical data.

As Tobacco Absolute (West Africa) is a natural botanical extract, the concentration of naturally occurring constituents and fragrance allergens may vary between production batches. The manufacturer of the finished cosmetic product remains responsible for determining the final allergen declaration requirements and ensuring compliance with Regulation (EC) No. 1223/2009, Commission Regulation (EU) 2023/1545.

This declaration applies solely to the raw material supplied by Aromology Trading LLC.
