EU Cosmetic Fragrance Allergens

Based on the manufacturing process, raw material specification and available analytical data, Tonalid does not intentionally contain any of the fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545.

Fragrance Allergen	Status
All Annex III Cosmetic Fragrance Allergens	Not Intentionally Added / Not Expected to be Present

Regulatory Statement

Tonalid is a synthetic aroma chemical manufactured under controlled industrial conditions and does not naturally contain the fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009.

This declaration is based on supplier technical documentation and manufacturing information. It applies solely to the raw material supplied by Aromology Trading LLC and does not constitute compliance for finished cosmetic products, for which the manufacturer remains responsible.
