Statement

- No EU fragrance allergens listed under Regulation (EU) 2023/1545 are intentionally added to this material.
 - This declaration is based on the regulatory information supplied by the manufacturer for this proprietary ingredient.
 - Trace impurities, if present, should be verified by batch-specific analytical testing where required.
 - The manufacturer of the finished cosmetic product remains responsible for determining allergen declaration requirements for the finished formulation in accordance with Regulation (EU) 2023/1545.
