Based on supplier information and available analytical data, all other Annex III fragrance allergens are not intentionally added and are not expected to exceed the applicable declaration thresholds.

Regulatory Statement

Treemoss Absolute is a natural lichen extract and is recognised under Regulation (EC) No. 1223/2009, as amended by Commission Regulation (EU) 2023/1545, as containing naturally occurring allergenic substances, particularly atranol and chloroatranol. These constituents are subject to specific regulatory restrictions, and compliance of the finished cosmetic product remains the responsibility of the manufacturer.

This declaration applies solely to the raw material supplied by Aromology Trading LLC.
