Statement

- No fragrance allergens have been intentionally added to this product.
- The allergens listed above are naturally occurring constituents of the essential oil.

- Their concentrations may vary between production batches.
- The finished cosmetic product manufacturer is responsible for determining allergen labelling requirements under Regulation (EU) 2023/1545 based on the concentration present in the finished formulation.
- Batch-specific GC-MS analysis is recommended where quantitative allergen declaration is required.

Important Regulatory Note

Verbena Essential Oil (*Lippia citriodora* oil) is subject to specific cosmetic restrictions in the European Union due to its sensitising and phototoxic potential. Users should ensure compliance with all applicable cosmetic and IFRA requirements before use in finished products.
