Declaration

To the best of our knowledge and based on information received from our raw material suppliers, ETHYL CINNAMATE NATURAL does not contain any of the allergens listed above.

This certificate is issued for fragrance, cosmetic, and perfumery raw material use and does not replace a complete safety assessment of the finished product.

Disclaimer

The information contained herein is believed to be accurate and reliable at the time of issue. It remains the responsibility of the manufacturer or importer of the finished product to ensure compliance with all applicable local and international regulations. This document is electronically generated and valid without signature.
