IFRA STATUS

Leather Oud 947325 is supplied as a proprietary fragrance ingredient.

The public manufacturer documentation does **not** provide product-specific maximum use concentrations for this fragrance ingredient. IFRA compliance must therefore be established using the official Firmenich IFRA Certificate applicable to the supplied batch and by evaluating the complete finished fragrance formulation.

CERTIFICATION

This material may be incorporated into fragrance formulations provided that:

- The finished fragrance complies with the IFRA Standards.
 - All restricted constituents from every raw material are considered.
 - The applicable IFRA product category is evaluated.
 - The current official Firmenich IFRA Certificate takes precedence over this representative declaration.
-

CONCLUSION

No public product-specific IFRA 51 maximum use concentration is available for Leather Oud 947325. Compliance shall be determined using the manufacturer's official IFRA Certificate together with the complete finished fragrance formulation.
