

AROM OLOGY

IFRA CONFORMITY CERTIFICATE

Product Name: α -Ionone (Alpha-Ionone)

Internal Reference: FPD-2015A-2673

Supplier / Certificate Holder: Aromology

This certificate assesses the conformity of the fragrance ingredient with IFRA Standards and provides restrictions for use where necessary. It is based only on those materials subject to IFRA Standards for the toxicological endpoints described in each Standard.

This certificate does not replace a comprehensive safety assessment of the finished product.

COMPLIANCE STATEMENT

We certify that the above material is in compliance with the Standards of the International Fragrance Association (IFRA), up to and including the 51st Amendment to the IFRA Code of Practice (published June 2023), provided it is used in the following categories at the maximum concentration levels indicated.

IFRA APPLICATION CATEGORIES & MAXIMUM USE LEVELS

IFRA Category	Maximum Level of Use (%)
IFRA Category 1	Not limited
IFRA Category 2	Not limited
IFRA Category 3	Not limited
IFRA Category 4	Not limited
IFRA Category 5A	Not limited
IFRA Category 5B	Not limited
IFRA Category 5C	Not limited
IFRA Category 5D	Not limited
IFRA Category 6	Not limited
IFRA Category 7A	Not limited
IFRA Category 7B	Not limited
IFRA Category 8	Not limited
IFRA Category 9	Not limited
IFRA Category 10A	Not limited
IFRA Category 10B	Not limited
IFRA Category 11A	Not limited
IFRA Category 11B	Not limited
IFRA Category 12	Not limited

For other kinds of application or for use at higher concentration levels, a new evaluation may be required.

IFRA-REGULATED SUBSTANCES

According to the information provided in the reference document:

- The material does not contain any substances restricted by the current IFRA Standards.

DECLARATIONS

- This certificate is based on statistical and compositional data and is not carried out on each batch.
- This document does not constitute a full safety assessment of the finished fragrance or consumer product.
- Responsibility for ensuring the safety, regulatory compliance, and suitability of the finished product rests entirely with the manufacturer placing the product on the market.

Issued by: Aromology

Document Type: IFRA Conformity Certificate

IFRA Amendment: 51st (June 2023)
