IFRA Status

Category	Status
Restricted Materials	None
Prohibited Materials	None
Specified Materials	None

Declaration

This certificate applies only to the raw material identified above.

Compliance with the IFRA 51st Amendment applies to the raw material itself and does not guarantee compliance of the finished fragrance or finished consumer product. It remains the responsibility of the fragrance manufacturer and finished product manufacturer to ensure that the final formulation complies with all applicable IFRA Standards, regulatory requirements, and usage limitations.
