IFRA RESTRICTED AND PROHIBITED MATERIALS

Parameter	Original Supplier Declaration
IFRA Restricted Materials	No restricted materials found for this product
IFRA Prohibited Materials	Does not contain substances prohibited by IFRA Standards

SPECIAL CONDITIONS AND LIMITATIONS

The stated maximum concentrations are specific to the application examples in the supplier certificate.

Where different values are given within the same category, the relevant application must be identified before selecting a usage limit.

The supplier states that additional evaluation may be necessary for other applications or higher concentrations.

The absence of listed restricted materials does not override the application-specific concentration limits stated in the same certificate.
