Category 5C	Hand creams and primarily leave-on hand products, including hand sanitiser	100.00%
Category 5D	Baby creams, baby oils and baby talc	100.00%

AROMOLOGY

IFRA Category	Finished Product Type	Maximum Usage
Category 6	Products with oral/lip exposure, including toothpaste and mouthwash	100.00%
Category 7A	Rinse-off hair products with some hand contact	100.00%
Category 7B	Leave-on hair products with some hand contact	100.00%
Category 8	Products with significant anogenital exposure	100.00%
Category 9	Primarily rinse-off products with body and hand exposure	100.00%
Category 10A	Household care products excluding aerosol/spray products	100.00%
Category 10B	Household aerosol/spray products	100.00%
Category 11A	Minimal-transfer products without UV exposure	100.00%
Category 11B	Minimal-transfer products with potential UV exposure	100.00%
Category 12	Products not intended for direct skin contact	100.00%

The supplied IFRA certificate reports 100.00% for every listed category from Category 1 through Category 12. These values have therefore been retained without alteration.

IFRA RESTRICTED / PROHIBITED MATERIALS

Restricted Materials: None declared

Prohibited Materials: None declared

SPECIFIED MATERIALS

Specified Material	CAS Number	Reported Concentration
Limonene	138-86-3	10-25%
Linalool	78-70-6	0.32%

The source certificate states that the information is based on statistical analytical data and is not determined for each individual batch, with a detection limit below 0.01%. It further states that the material contains no ingredient banned under the IFRA Code of Practice and Standards through the 51st Amendment.

IMPORTANT INFORMATION

This certificate does not constitute a comprehensive safety assessment of all product constituents.

The manufacturer of the finished product remains responsible for ensuring the safety and regulatory compliance of the final formulation, including further testing where necessary.

A R O M O L O G Y

Inventory registration does not guarantee food-grade status, and use in food/flavour applications remains the customer's responsibility.
