Declaration

We hereby certify that Coumarin Crystalline Powder – Natural has been evaluated with reference to the International Fragrance Association (IFRA) Code of Practice and IFRA Standards (51st Amendment).

Coumarin is a restricted fragrance ingredient under the IFRA Standards. The maximum permitted concentration in the finished fragrance depends on the IFRA product category. This certificate confirms that the supplied raw material is pure coumarin and must be used in compliance with the concentration limits specified in the current IFRA Standards (51st Amendment).

IFRA Recommendation

IFRA Product Categories	Recommendation
Categories 1–12	Use only within the concentration limits specified in the applicable IFRA Standard for Coumarin. Compliance of the finished fragrance is the responsibility of the manufacturer.

Important Note

- This certificate applies solely to the raw material supplied by Aromology Trading LLC.

AROMOLGY

- The finished fragrance formulation must be evaluated to ensure compliance with all applicable IFRA Standards and restrictions.
