| Product Type   | Natural Essential Oil (Heart Fraction)   |

### Declaration

We hereby certify that Elemi Heart Essential Oil has been evaluated with reference to the International Fragrance Association (IFRA) Code of Practice and IFRA Standards (51<sup>st</sup> Amendment).

Elemi Heart Essential Oil is not specifically prohibited or restricted under the IFRA 51<sup>st</sup> Amendment. Naturally occurring constituents, including limonene, linalool, benzaldehyde, benzyl benzoate, benzyl salicylate, carvone and eugenol, are subject to the relevant IFRA Standards where present. Compliance of the finished fragrance formulation must therefore be assessed against all applicable IFRA Standards.

### IFRA Recommendation

| IFRA Product Categories | Recommendation                                                                                                                                                                                                 |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Categories 1–12         | No material-specific restriction. Use according to Good Manufacturing Practice (GMP). Finished fragrance must comply with all applicable IFRA Standards governing naturally occurring restricted constituents. |

A R O M O L O G Y

### **Important Note**

- This certificate applies solely to the raw material supplied by Aromology Trading LLC.
- The manufacturer of the finished fragrance remains responsible for ensuring compliance of the complete formulation with the current IFRA Standards.
