Declaration

We hereby certify that Fenugreek Absolute has been reviewed with reference to the International Fragrance Association (IFRA) Code of Practice and IFRA Standards (51st Amendment).

Fenugreek Absolute is a natural complex substance (NCS). Its composition varies naturally according to origin, harvest and extraction process. Compliance with IFRA requirements depends on the concentration of naturally occurring restricted constituents present in the specific batch and their contribution to the finished fragrance.

IFRA Recommendation

IFRA Categories	Recommendation
Categories 1–12	Use in accordance with Good Manufacturing Practice (GMP). Where naturally occurring IFRA-restricted constituents are present, compliance shall be determined from the batch composition and the finished fragrance formulation.
