Declaration

We hereby certify that Fenugreek Absolute Premium Grade (India) has been evaluated with reference to the International Fragrance Association (IFRA) Code of Practice and IFRA Standards (51st Amendment).

Fenugreek Absolute is classified as a Natural Complex Substance (NCS). It contains naturally occurring aroma constituents whose concentrations vary with origin, harvest season and extraction process. Compliance with IFRA requirements depends upon the quantitative composition of the individual batch and the contribution of naturally occurring restricted constituents in the finished fragrance formulation.

IFRA Recommendation

IFRA Categories	Recommendation
Categories 1–12	Use according to Good Manufacturing Practice (GMP). Compliance with IFRA Standards should be determined from batch-specific analytical data and the finished fragrance formulation.
