Category 10B	Not Restricted*
Category 11A	Not Restricted*
Category 11B	Not Restricted*
Category 12	Not Restricted*

*No material-specific IFRA concentration limit has been identified for Fleuranil®. Finished fragrances must still comply with all applicable IFRA Standards based on the complete formulation.

Declaration

Fleuranil® – IFF complies with the IFRA Standards through the 51st Amendment. Compliance of the finished fragrance depends on the cumulative contribution of all restricted materials present in the complete fragrance formula.

Disclaimer

This is a representative supplier-style IFRA 51 declaration.

It is not:

- An original IFF-issued IFRA document
- A certificate issued by IFRA
- A finished-product safety assessment
- Approval for unrestricted direct consumer use
- A substitute for current batch-specific documentation

Before commercial or regulatory issue, verify all information against the current original IFF regulatory documentation.

Where a discrepancy exists, the current IFF and IFRA documentation shall prevail.
