Ho Wood Essential Oil

IFRA CONFORMITY DECLARATION

AROMOLOGY hereby declares, based on the supplier's IFRA Conformity Certificate, that Ho Wood Essential Oil complies with the Standards of the International Fragrance Association (IFRA), up to and including the 51st Amendment, published June 2023, provided that the material is used at or below the maximum concentrations specified below.

The maximum usage levels apply to the concentration of Ho Wood Essential Oil in the finished product.

IFRA MAXIMUM USAGE LEVELS

IFRA Category	Product Application	Maximum Usage (%)
Category 1	Lip products	Not Approved
Category 2	Deodorants and antiperspirants	20.00%

AROMOLOGY

	exposure	
Category 11B	Minimal-transfer products with potential UV exposure	20.00%
Category 12	Candles, incense and non-skin-contact products	20.00%

IFRA RESTRICTED COMPONENTS

The supplier identifies the following materials subject to IFRA limits:

Restricted Component	CAS Number(s)	Concentration in Raw Material
Benzaldehyde	100-52-7	0.0010%
Benzyl Alcohol	100-51-6	0.0250%
Geraniol	106-24-1	0.0100%
Safrole, Isosafrole and Dihydrosafrole	94-59-7, 120-58-1, 94-58-6	0.0500%

The concentrations above have been retained exactly as reported in the supplier's certificate.

IMPORTANT USAGE CONDITIONS

The supplier confirms that Ho Wood Essential Oil may be used at a maximum concentration of 20.00% in the finished product for the approved IFRA categories listed above.

Category 1 – Not Approved: Lip products and children's toys.

Category 6 – Not Approved: Oral care products, including toothpaste and mouthwash.

For applications outside the listed categories, or where higher concentrations are required, a new evaluation may be necessary.

The supplier recommends obtaining a further assessment before using the material outside the specified conditions.

REGULATORY AND SAFETY INFORMATION

This certificate confirms conformity with the IFRA 51st Amendment restrictions applicable to the specified product.

The restrictions are based on materials subject to IFRA Standards and the toxicity endpoints covered by those standards.

This declaration does not constitute a comprehensive safety assessment of every constituent present in Ho Wood Essential Oil.

AROMOLOGY

The manufacturer of the finished product remains responsible for ensuring product safety and compliance with applicable regulations.

DISCLAIMER

The information contained in this certificate is based on the original supplier's IFRA Conformity Certificate for Ho Wood Oil – 51st IFRA-9380, issued on 04 March 2024.

The maximum concentrations stated are IFRA limits for the finished product and should not be interpreted as recommended formulation concentrations.

Users are responsible for verifying the suitability of the material for their intended applications and ensuring compliance with all applicable regulations.
