PRODUCT INFORMATION

Item	Details
Product Name	Lilial Schiff Base Extra
CAS Number	91-51-0
EC Number	202-073-6
Product Type	Schiff Base Aroma Chemical
Applicable Standard	IFRA Standards – 51st Amendment

IFRA STATUS

Lilial Schiff Base Extra is a Schiff Base produced from Lilial (Butylphenyl Methylpropional) and Methyl Anthranilate.

Under the IFRA 51st Amendment, Schiff Bases are evaluated using the "Contributions from Other Sources" approach. Compliance is therefore determined from the restrictions applicable to the constituent substances released or considered by IFRA, rather than by a standalone restriction for the Schiff Base itself.

CERTIFICATION

This material may be used in fragrance compounds provided that:

- The finished fragrance complies with the IFRA Standards (51st Amendment).
 - Contributions from residual Lilial (CAS 80-54-6) and Methyl Anthranilate (CAS 134-20-3) are included in the IFRA calculation.
 - The applicable IFRA product category is respected.
 - The finished fragrance is assessed by a qualified safety assessor.
-

CONCLUSION

Lilial Schiff Base Extra has no independent IFRA 51 maximum use level published as a raw material. IFRA compliance shall be determined from the restrictions applicable to its constituent substances and the complete finished fragrance formulation.
