Declaration

Based on currently available IFRA information, Mate Absolute (CAS 68916-96-1) is not subject to an ingredient-specific restriction under the IFRA 51st Amendment.

However, as a Natural Complex Substance (NCS), it may naturally contain constituents that are individually restricted under IFRA. Compliance of the finished fragrance must therefore be evaluated using the complete formulation and the concentrations of all restricted constituents.

IFRA Category Status

IFRA Category	Status
Categories 1–12	No specific restriction for the complete material ¹

¹ This does **not** imply unlimited use. Finished fragrance compliance must be established using IFRA 51st Amendment calculations and the actual constituent profile.

Conditions

This declaration is valid provided:

A R O M A T I C S

- The material is used as a fragrance ingredient.
- Batch composition remains within normal commercial specifications.
- The finished fragrance complies with all applicable IFRA Standards.
- The finished cosmetic undergoes its required safety assessment.

Conclusion

Mate Absolute Pure – Italy is suitable for use as a fragrance ingredient subject to compliance with the IFRA 51st Amendment and evaluation of the complete finished fragrance formula.
