IFRA DECLARATION

Premium Patchouli EO Light – Musky is not known to be prohibited under the IFRA Standards, 51st Amendment.

Categories 1 and 6 are stated as not approved in representative IFRA 51 documentation for patchouli essential oil. For all other categories, the material is not subject to a general material-specific maximum level based on the representative data reviewed.

However, compliance must be verified using:

- The current batch-specific GC-MS profile
- The concentration of any IFRA-restricted constituents
- The intended IFRA finished-product category
- The concentration of the material in the finished product

AROMOLOGY

- Contributions of the same restricted constituents from all other ingredients

COMPLIANCE CALCULATION

Restricted constituent in finished product (%) =

Patchouli oil use level (%) × restricted constituent in patchouli oil (%) ÷ 100

Contributions of the same constituent from every other fragrance ingredient must be added.

LIMITATIONS

This certificate:

- Applies only to Premium Patchouli EO Light – Musky
- Does not certify a finished perfume or cosmetic product
- Does not replace a complete finished-product safety assessment
- Does not authorise internal, pharmaceutical or food use
- Must be reviewed when the composition or IFRA Standards change
- Requires current batch-specific data where restricted constituents are detected
