Applicable to products including:

Parfum • Extrait de Parfum • Eau de Parfum • Eau de Toilette • Cologne

MAXIMUM PERMITTED LEVEL

NOT RESTRICTED UNDER IFRA 51

No specific maximum concentration has been established for Category 4 based on the Patchouli Light-specific IFRA 51 information reviewed.

NATURAL COMPLEX SUBSTANCE

Premium Patchouli Essential Oil – Light is a Natural Complex Substance (NCS) consisting of naturally occurring constituents characteristic of *Pogostemon cablin* essential oil.

AROMOLOGY

The absence of a material-specific Category 4 restriction does not remove the requirement to assess the complete fragrance formulation.

Any restricted constituent introduced from this or other raw materials must be considered when determining IFRA compliance of the finished fragrance.

IFRA 51 CONFORMITY DECLARATION

We hereby declare that:

PREMIUM PATCHOULI ESSENTIAL OIL – LIGHT

Botanical Name: *Pogostemon cablin*

INCI Name: POGOSTEMON CABLIN LEAF OIL

CAS Number: 8014-09-3 / 84238-39-1

has been reviewed with reference to the IFRA Standards up to and including the 51st Amendment.

Based on the available Patchouli Oil Light-specific regulatory information:

IFRA CATEGORY 4: NOT RESTRICTED

The material may therefore be used in Category 4 applications subject to evaluation of the complete fragrance formulation and compliance with all applicable IFRA Standards.

This declaration does not replace a safety assessment of the finished product.

DISCLAIMER

This certificate is an Aromology supplier declaration prepared with reference to available IFRA 51 regulatory information applicable to Patchouli Oil Light.

“Not Restricted” means that no specific IFRA maximum-use restriction was identified for Category 4. It should not be interpreted as a recommendation to use the raw material undiluted or as confirmation of the safety of any particular finished formulation.

The manufacturer of the finished product remains responsible for ensuring compliance with applicable IFRA Standards and conducting an appropriate safety assessment.
