Priprioca Essential Oil

PRODUCT IDENTIFICATION

Product Name: Priprioca Essential Oil

Botanical Name: *Cyperus articulatus*

INCI Name: Cyperus Articulatus Root Oil

Product Code: 10542

CAS Number: 799259-56-6

EC Number: 639-153-9

Country of Origin: Brazil

Plant Part: Roots

Extraction Method: Steam Distillation

APPLICABLE IFRA AMENDMENT

This information statement has been prepared with reference to the IFRA Standards up to and including the 51st Amendment.

As of the date of issue, the IFRA 51st Amendment remains the applicable published amendment. The IFRA 52nd Amendment consultation has closed but has not yet replaced the 51st Amendment.

IFRA STATUS

Priprioca Essential Oil is a Natural Complex Substance. No specific IFRA Standard prohibiting or directly restricting Priprioca Essential Oil, CAS 799259-56-6, has been identified.

The oil may, however, contain naturally occurring constituents subject to individual IFRA Standards. Published reference information identifies Citral at a maximum typical concentration of approximately 0.70% in Priprioca Essential Oil.

AROM O L O G Y

The contribution of Citral and any other IFRA-regulated constituents from all ingredients must be included when assessing the finished fragrance formulation.

IFRA CATEGORY INFORMATION

IFRA Category	Maximum Use Level of Priprioca Essential Oil
Category 1	Subject to assessment of the finished formulation
Category 2	Subject to assessment of the finished formulation
Category 3	Subject to assessment of the finished formulation
Category 4	Subject to assessment of the finished formulation
Category 5A	Subject to assessment of the finished formulation
Category 5B	Subject to assessment of the finished formulation
Category 5C	Subject to assessment of the finished formulation
Category 5D	Subject to assessment of the finished formulation
Category 6	Subject to assessment of the finished formulation
Category 7A	Subject to assessment of the finished formulation
Category 7B	Subject to assessment of the finished formulation
Category 8	Subject to assessment of the finished formulation
Category 9	Subject to assessment of the finished formulation
Category 10A	Subject to assessment of the finished formulation
Category 10B	Subject to assessment of the finished formulation
Category 11A	Subject to assessment of the finished formulation
Category 11B	Subject to assessment of the finished formulation
Category 12	Subject to assessment of the finished formulation

RESTRICTED CONSTITUENT INFORMATION

IFRA-Regulated Constituent	CAS Number	Maximum Typical Concentration in Material	Reason for Restriction
Citral	5392-40-5	≤0.70%	Skin Sensitisation

DECLARATION

Priprioca Essential Oil may be used in fragrance applications provided that the total contribution of Citral and any other IFRA-regulated constituents in the finished product complies with the limits applicable to the intended IFRA category.

This document provides information about a fragrance raw material. It does not constitute an
