Statement of Conformity

Sabinene Natural is a naturally occurring fragrance ingredient listed within the IFRA Transparency List.

Based on currently available information, Sabinene is not individually prohibited or assigned a specific concentration limit under the IFRA 51st Amendment as a standalone substance. Compliance with IFRA requirements depends on:

- The concentration of Sabinene in the finished fragrance.
- Any naturally occurring or added IFRA-restricted constituents present in the complete formulation.
- The applicable IFRA product category.
- The overall safety assessment of the finished product.

IFRA Category Statement

IFRA Finished Product Category	Maximum Use Level
Categories 1–12	Subject to finished fragrance safety assessment and compliance with IFRA Standards

Declaration

This certificate applies solely to the raw material identified above. The manufacturer of the finished fragrance is responsible for ensuring compliance with the applicable IFRA Standards and all relevant regulatory requirements.
