CATEGORY 4 – FINE FRAGRANCE

For:

Extrait de Parfum • Parfum • Eau de Parfum • Eau de Toilette • Cologne

MAXIMUM LEVEL OF USE: 8.46%

This is the value I recommend using for your updated client documentation rather than the previous “no material-specific restriction identified” statement.

IMPORTANT INTERPRETATION

The certificate states that the material complies with IFRA Standards up to and including the 51st Amendment, provided it is used at or below the stated maximum concentration for the applicable category.

The certificate also makes clear that IFRA conformity does not replace a comprehensive safety assessment of the final fragrance mixture.

FORMAL IFRA 51 DECLARATION

We hereby declare that:
