IFRA RESTRICTED COMPONENTS

The product contains the following substances restricted under IFRA Standards:

Restricted Component	Concentration in Raw Material
Citral	<98.0%
Geraniol	<1.2%
Citronellal	<0.5%
Isocitral (3,7-Dimethyl-3,6-Octadienal)	<0.7%
Citronellol	<0.25%

The supplier confirms that the product complies with the applicable IFRA specifications.

IMPORTANT USAGE CONDITIONS

The concentration of a fragrance ingredient should not exceed the usual concentration of the fragrance compound in the finished product.

For Categories 1 and 6, where incidental oral ingestion may occur, an approved flavour-material status under the IOFI Code of Practice is required.

The supplier's IFRA certificate does not establish compliance with IOFI flavour requirements. A separate assessment or declaration is required for these applications.

REGULATORY AND SAFETY INFORMATION

This certificate confirms conformity with the IFRA 51st Amendment restrictions applicable to the specified product.

The restrictions are based on substances covered by IFRA Standards and their associated toxicological endpoints.

This declaration does not constitute a comprehensive safety assessment of every constituent present in Citral Natural (Ex-Lemongrass).

The manufacturer of the finished product remains responsible for ensuring product safety, including additional testing where necessary.

AROMOLOGY

The supplier also states that IFRA conformity does not automatically establish the material's suitability for fragrance use in the European Economic Area (EEA). Additional regulatory declarations, including REACH conformity where applicable, may be required.

DISCLAIMER

The information contained in this certificate is based on the original manufacturer's IFRA Conformity Certificate issued on 23 October 2026.

The maximum concentrations stated are IFRA limits for the finished product and should not be interpreted as recommended formulation concentrations.

Users are responsible for verifying the suitability of the material for their intended applications and ensuring compliance with all applicable regulations.
